

TENNESSEE SEX OFFENDER TREATMENT BOARD

POLICY NO. 7

DISCIPLINARY ACTION – LAPSED/SUSPENDED LICENSE

It is expected that Approved Sex Offender Treatment Providers notify the Board of any lapsed or suspended license in writing within five (5) business days of discovery the license has lapsed or been suspended.

Upon notification that the Provider no longer has an active license under the Provider's respective licensing authority, the Provider will be removed as a "board approved sex offender treatment provider." A Provider may not be on the Approved Sex Offender Treatment Provider without an active license through the Board of Examiners.

Upon receipt of the reinstatement by the Board of Examiners, the Provider may petition the Sex Offender Treatment Board to be reinstated as an Approved Provider.

Actions by the Board may include one of the following:

- Give approval to return to the Approved Provider list
- Suspend, limit or restrict a previously Approved Provider's approval status
- Reprimand or take such action in relation to disciplining an applicant as the board in its discretion may deem proper.
- Permanently revoke a Provider's approval status
